RENDEAVOUR

AFRICA'S URBAN FUTURE

RENDEAVOUR BUILDS SUSTAINABLE CITIES

Rendeavour is Africa's largest new city builder

Our seven city-scale developments on 12,000 hectares (30,000 acres) in Nigeria, Kenya, Ghana, Zambia and the Democratic Republic of Congo create the infrastructure and living and working spaces that sustain and accelerate Africa's economic growth, meet the aspirations of Africa's burgeoning middle classes, and serve as a catalyst for further economic development.

Backed by American, British, Norwegian and New Zealand investors, Rendeavour's people-centric communities proudly create hundreds of thousands of direct and indirect jobs and inclusive housing solutions in Special Economic Zones and Free Trade Zones.
